### Our school initiatives are showing substantial progress toward our targets

After reviewing our 2017 *Investing for Success* agreement, it is clear that we have made progress toward our targeted student outcomes. We will continue to focus on maximising the benefits of this funding for our students, and adjust our initiatives as needed to ensure every student succeeds.

Initiatives implemented include:

- Embed the culture, climate, processes and protocols of classroom observation and feedback to support professional development and encourage reflective practice/action learning.
- Embed the culture, climate, processes and protocols of classroom observation and feedback to support professional development and encourage reflective practice/action and learning.
- Under the direction of the HOC and the Master teacher providing TRS and form professional learning teams for all teachers to engage with the Lyn Sharrat case management model to cater for specific learning needs of students in Reading and Writing.
- Providing additional resources for the implementation of PBL across the school.
