

Investing for Success

Our school will improve student outcomes by

<i>Developing and implementing a whole school approach to teaching writing based on Explicit Instruction and Sheena Cameron approach to the teaching of Writing.</i>	\$142537
<i>Embed the culture, climate, processes and protocols of classroom observation and feedback to support professional development and encourage reflective practice/action learning.</i>	
<i>Embedding explicit instruction as the predominant pedagogy across all year levels in Literacy and Numeracy.</i>	
<i>Under the direction of the HOC and the Master teacher providing TRS and form professional learning teams for all teachers to engage with the Lyn Sharrat case management model to cater for specific learning needs of students in Reading and Writing</i>	
<i>Providing TRS to enable teachers and leaders – Principal, Deputy Principal, HOC and Master teacher to engage in collaborative data inquiry, action learning, classroom visits and professional conversations</i>	
<i>Facilitating year level and inter year level moderation in week 2, week 4 and week 10 of each term.</i>	
<i>Providing additional teacher aide support in classroom to implement Guided Reading in all P-6 classrooms.</i>	\$56000
<i>Providing additional teacher aide support in classrooms to support students identified with learning needs</i>	
<i>Providing TRS for PBL committee to plan and implement PBL through training of all staff and through communication with parents/caregivers and the wider community.</i>	\$30558
<i>Providing additional resources for the implementation of PBL across the school</i>	
TOTAL	\$229095
